STUDY SESSIONS MONITORING BOOKLET

As part of boarding requirements at the "Bunya Campus", all students are expected to bring all study requirements with them at the commencement of study sessions each evening. **Students will be rated on productivity and work ethic each session to monitor work progress.** Students who do not comply with study routines will be required to participate in an alternative study regime (to be advised by the Residential Teacher).

Persistently disruptive or unproductive students will be given consequences as determined by Residential Teacher, Snr SSW or HOC.

- Students sit in allocated places as decided by the member of staff on duty.
- NO ONE has the right to disrupt the study environment.
- **Students are not to use mobile phones during study. Phones are to be left in the dorms or handed in. Students are welcome to use media players as long as they demonstrate respectful use to other students.**
- Quiet group work is permitted, providing students are productive.
- Only school work is to be done during this time. Such activities include homework, revision, pre-reading, extension work or reading a novel.
- Extension work will be provided for those students who do not bring study requirements.
- Computers are available for all students to use during study (Electronic Device Policy applies).

If a student is absent from study due to other commitments, they will not receive any points for that night and it will not affect their average.

I, _____, understand my responsibility to take part in the study requirements of "The Bunya Campus".
